

HOSPITALITY

WOLVERHAMPTON RACECOURSE

**OFFERING RACING IN AN IDYLIC SETTING,
ALL YEAR ROUND.**

Wolverhampton Racecourse, situated in the picturesque Dunstall Park within the City of Wolverhampton, is one of Britain's busiest racecourses, hosting 80 fixtures across the year, as well as several music events.

Alongside being a bustling racing track, Wolverhampton Racecourse is home to a conference centre and Holiday Inn Hotel, making it a popular choice for venue hire.

One of the most established racecourses in the Midlands, Dunstall Park has held racing at Wolverhampton since 1888, bringing you the thrills of All-Weather racing.

THE HISTORY OF WOLVERHAMPTON

Racing began in Wolverhampton in 1825 and moved to the current racecourse site in 1888, with the first race meeting being held on the 13th of August.

In 1993 the site was redeveloped removing the original National Hunt track and building the All Weather Track, in doing so becoming Britain's first floodlit track. Also built at the same time was The New Grandstand, Executive boxes and Restaurants, New Stables, Workshops, Houses and a Hotel. We are proud that in 1994, Her Late Majesty Queen Elizabeth II re-opened the new Wolverhampton Racecourse.

National Hunt and Point to Point continued on a new track until 2004 when we installed a Polytrack surface and realigned the All Weather Track.

In 2014, another major investment was made into a new surface, this time a high-performance Tapeta surface, that wasn't yet used in Great Britain. After a three-month resurfacing period, the racecourse opened for business again with our first meeting on the Tapeta track, receiving excellent reviews from jockeys, trainers, owners and racegoers.

Wolverhampton Racecourse now welcomes 120,000 visitors each year across 80 race fixtures, music live events and conferences.
